Dear Friends,

On behalf of the Board of Directors and the employees of Auburn Youth and Family Services, it is my honor to welcome you to our 44<sup>th</sup> annual meeting. This year has been like no other in our history due to the Covid-19 pandemic that has hit our country and community alike. Our Executive Director, Sally D'Arcangelo, and her team remain highly engaged and have adapted to meet the changing needs of our community during this time. Our volunteers continue to selflessly donate their time, talent and resources. The community at large has continued to surprise and inspire with food donations and needed supplies to help our community. We continue to enjoy strong partnerships with local organizations like the Town of Auburn, the Auburn Housing Authority, the Auburn Public Schools and the Auburn Police and Fire Departments, to name just a few. Guided by our Strategic Plan, the Board of Directors continues to provide guidance based on the Core Values, Mission and Vision of AYFS. All of this has been and will continue to be a recipe for success here at AYFS.

During the past year, the Board of Directors has worked diligently to ensure both the short-term as well as the long-term health of AYFS. Attracting qualified employees and retaining them has been a continued focus of the Board of Directors. Specifically, through the hard work of Sally D'Arcangelo, Bill Mahoney and the Board of Directors, we have given AYFS employees the option to enroll in a 401k employee retirement plan. We have expanded opportunities to receive grants as an alternate source of funding. We are continuing to work on expanding our corporate sponsorships, updating our database and upgrading our equipment. Maureen Kennedy, Dorothy Sutton Kauffman and other Board Members worked tirelessly to replace AYFS's annual keynote fundraiser "Dancing with the Stars" with a Casino Night, which brought in over \$12,000 for our organization. Additionally, AYFS was able to raise more than \$8,000 for the event from new corporate sponsors in town that have learned about and believe in our mission. Mike Villa on our Board has continued the work of our Technology Committee, which continues to bring AYFS into the modern era and allow us to spread the word about our great agency. The Board is not only looking forward to continuing this work but also establishing some exciting new initiatives in the coming year. Be on the lookout for "new normal" virtual fundraising which will be crucial to meet the fundraising needs of AYFS.

To all of my fellow Board Members, thank you for your hard work and dedication this year. I never intended to call so many special meetings, and I know Zoom meetings can be difficult, but without a rule book for a pandemic we had to make a lot of changes and we had to make them quickly. A "new normal" brought upon new needs for our community. Every one of you rose to the challenge, and for that, I am forever thankful.

*Serving the Auburn Community since 1976*

As you know, each year at our Annual Meeting we recognize a local individual and a local business for service to the youth of Auburn and to AYFS. This year's recipient of the 20<sup>th</sup> Annual Auburn Children's Friend Award is not just one person, but a group of dedicated people that came together to address the issue of food insecurity that was realized almost immediately upon the closing of our schools and community. Janice King and the Auburn School System Food Services Department didn't stop their mission of feeding our children when the schools closed. Over 300 children in town were delivered lunches for the week starting in March. Every Monday and Wednesday Mrs. King and the Food Service's Department, with the assistance of AYFS, prepared and delivered meals, and they did so through the end of the school year. In short, the schools may have been closed, but their mission continued. On behalf of the Board and on behalf of the Auburn Community I'd like to express to Mrs. King and the Food Services Department my gratitude and appreciation for adapting to the changes of 2020 and feeding all those in need. You are appreciated more than you know.

This year's recipient of the 8<sup>th</sup> Annual AYFS Ben Masterman's Business Community Service Award is the Benevolent and Protective Order of Elks or more commonly known locally as our "Auburn Elks". Whether it be food boxes, holiday giving, putting together Christmas parties, or consistent financial contributions, the Auburn Elks has been a fierce supporter of AYFS for decades. Recently this year they partnered up with AYFS to provide the location and food services for our "Charity Casino Night" which was a great success. The Auburn Elks commitment to our community shows through in everything they do; please join me in thanking and congratulating the Auburn Elks!

Today marks the kickoff of our Annual Appeal. We have set an ambitious goal of \$75,000. It is critical that we reach this goal and we are hoping you will help support our efforts. Dorothy Sutton Kauffman, our Appeal Chairman and Vice President, will address this with you today.

On a personal note, I would like to thank Sally D'Arcangelo, Megan Sutter, Dr. Sandoli and the Board of Directors their support this year. If you told me reshaping how this organization operates on a daily basis and that food insecurity would be a chief priority for the year, I wouldn't have believed you. I've had the title of President this year but it was all of you and your collaborative efforts that helped AYFS rise to the occasion of 2020. Finally, I would like to thank each of you for taking time out of your busy schedules to be here with us today. Your support is the lifeblood of our organization. Thank you for all you do!

Warmest regards,

  
Scott C. Wrenn, Esq.

## **PROGRAM DESCRIPTION**

Auburn Youth & Family Services, Inc. is a private, non-profit, multi-service organization for children, young adults, and families. Located in a state-of-the-art facility at 21 Pheasant Court, Auburn, it offers many programs primarily to the residents of the town, while also servicing individuals from surrounding communities on a sliding scale fee basis. Services include counseling, tutoring, advocacy, information and referral, after-school and summer programs, support groups for children, adolescents and parents, a food pantry and a clothing closet.

### **CHILDREN & YOUNG ADULT PROGRAMS**

**After-School Program** – AYFS is proud to offer a comprehensive and fun after school experience to Auburn children, 5-14 years of age. After-School is designed to offer youth an opportunity to participate in a variety of activities through recreation, education, cultural enrichment and community service. The goals of After-School Program are to provide a safe after-school environment, encourage academic achievement, develop decision making skills, offer opportunities to practice skills in negotiating and conflict resolution, and instruction and discussion about health and family issues. After-School meets five times a week. AYFS After-School is licensed by the Mass. Department of Early Education and Care. This program is funded in part by the Town of Auburn and is also supported from contributions and a grant from the Greater Worcester Community Foundation.

**Summer Fun Programs** – Our Summer Fun Program is a six-week program for youth entering grades K-8. Led by staff professionally trained in all areas of child and adolescent development, SFP is designed to offer 52 youth the opportunity to participate in recreational, educational, cultural, and community service activities in a supervised, structured and safe environment. A major focus of SFP is to strengthen and support family relationships; hence several family events are sponsored. SFP is licensed by the Mass. Department of Early Education and Care. This year we offered extended hours to accommodate working families. SFP is partially supported through grants from the Greater Worcester Community Foundation. Due to COVID-19 Summer Fun Programs were not in operation.

**Leaders-in-Training Program** – A program designed for youth entering grades 8 and higher during the summer months. Youth act as volunteer support to staff and role models for the younger children in the Summer Fun Camp – Level One program. The goal of the program is to teach job skills to youth while offering them an experience working with young children. LIT's are required to attend a mandatory training in child development, basic first aid, and leadership skills.

**Handling Your Feelings** – A program designed for 11 - 15 year old youth. In each of the gender-specific, 8-week sessions, trained counselors provide activities promoting the healthy expression of everyday emotions, as well as group discussions and activities on positive self-esteem, proper conflict resolution skills and handling peer pressure. Marie Sandoli, Ph.D., LICSW, supervises this group while graduate student interns plan and run the group activities. These services are offered free to Auburn residents through funds provided through the Town of Auburn.

**“Stick Up For Yourself Lunch Group”** – In such a fast-paced society, children sometimes forget to celebrate being children. This 8-week program was designed for children ages 12-14. AYFS staff and counselors provide the children with a variety of activities which help the children see the best within themselves. The program also touches on other topics, such as, celebrating differences, assertive communication, polite disagreement, encouragement of others following directions, active listening and conflict resolution. This service is offered free to Auburn residents through funds provided through the Town of Auburn.

**Counseling** – Individual and family counseling is offered for personal, academic, family and substance abuse problems. Counselors provide assessments, crisis intervention and brief treatment. Fees are established on a sliding scale and based on the number of people in a family and yearly income for those families who do not have health insurance coverage.

### **SCHOOL OUTREACH PROGRAMS**

**Middle School Counseling Program** – Students in grades six through eight are referred by their guidance counselors. AYFS staff and interns provide counseling services at the Auburn Middle School. Counseling issues cover such areas as depression (including suicidal ideation and self-harm), disruptive home environments, processing loss and transitions, adoption, academic failure, increasing motivation, and anxiety. These services are offered free to Auburn residents through funds provided through the Town of Auburn.

**Information/Referral** – If individuals need information on drugs, family problems, or teenage issues, they can feel free to call the counselors at Auburn Youth & Family Services. In addition, the agency has a comprehensive list of Human Service Agencies for referral. All contacts are confidential.

**High School Counseling** – Students in grades nine through twelve are referred by their guidance counselors. AYFS staff and interns provide counseling services at the Auburn High School. Counseling issues cover such areas as substance abuse, depression, divorce, academic failure, domestic violence, sexuality issues, dating relationships and other family-related issues. These services are performed at the Auburn High School and are offered free to Auburn residents through funds provided through the Town of Auburn.

**C.A.R.E. (Community Assistance Resource Education)** – This program was designed for 5<sup>th</sup> grade students in the Auburn Public Schools. The 5 sessions presented to the students at Swanson Road Intermediate School covered: teaching students about the negative effects substance abuse can have on your life, peer pressure, making positive choices; helping student's transition to the Middle School. This program was presented in collaboration with the Auburn Police Department, the Auburn Public Schools, Auburn Youth and Family Services, Inc., the Auburn High School National Honor Society and Student Council and the Worcester County Sheriff's Department. This program is offered free of charge through funds provided by the Town of Auburn.

## **COMMUNITY OUTREACH PROGRAMS**

**Food Pantry and Clothing Closet** – AYFS, through Massachusetts Emergency Food Assistance Program and a partnership with Worcester County Food Bank, operates a food pantry and food distribution program at 21 Pheasant Court. The mission of our food program is to help alleviate hunger for Auburn's children and families, and to educate families about the importance of good nutrition. Emergency disbursements are made on an as-needed basis. The Auburn's Walk for Hunger, Macy's "Bag Hunger", and the U.S. Postal Worker Food Drive supply funds and food for the pantry, as well as numerous contributions from individuals and organizations in the Auburn community. In March, the pandemic called for AYFS to rethink the needs of the Auburn Community. We saw a huge increase in the number of families accessing food due to job loss and families being home more often. AYFS set-up a curbside pick-up and home delivery program to accommodate the needs. We assisted the Auburn Public Schools Food Service Department with delivering lunches for the marginalized families without transportation to pick up the meals.

**First Day Program** – This vital program is organized by Bill and Liz Gribbons. In the month of August, the First Day Program raises funds to assist families in need of financial support, with shoes, backpacks and school supplies for the first day of school, as well as coats and boots for the winter months. This year, 86 children entering grades K-12 received assistance with this program.

**Holiday and Gift Program** – AYFS helps to provide gifts and food baskets for families during the holiday(s). Many community businesses, organizations and individuals help with funds and donations for this program.

**Auburn Community Assistance Fund** – The Auburn Community Assistance Fund (ACAF) was established in 1980 as a private, non-profit fund and was administered out of the Town Clerk's office. In May, 2010, Auburn Youth and Family Services was approached by the ACAF Board of Trustees and asked to become the volunteer administrator of the fund. The purpose of the fund is to assist Auburn residents in emergency situations (particularly with all forms of heating assistance: oil, propane, gas, electric, etc.). The fund works in cooperation with other fuel assistance agencies throughout Worcester County. ACAF is funded solely through contributions from individual companies. From September, 2019 to September, 2020, 11 households received some type of assistance from the fund.

## **Funding Sources for the Agency**

Funding sources for AYFS have varied since its development. State funds through the Department of Public Health were offered until 1988. In FY'20 the town of Auburn provided nearly 37% of the annual operating budget (via the Auburn Youth Commission contract). AYFS generates other revenue through grants, program fees and special events.

We would like to extend our deepest thanks to the community members who donated to our 2019 Annual Appeal. Through the generosity of the Auburn Community, AYFS was able to collect more than \$50,000.00 in donations. These funds will directly support our many programs and services. Some of these services include: Weekly Food Pantry Distribution, After School Programs for Elementary and Middle-School Students, Summer Program Scholarships, Individual/Family Counseling for families.

Again, thank you to all who donated so generously.
