AYFS Summer Fun Programs 2016

A six-week summer program for children in grades K-4 and youth in grades 5-8

Summer fun...here we come! The planning for summer 2016 is well underway. The staff is very excited to be gearing up for a fun-filled six-week program. With fun theme weeks, field trips & special guests, this summer will be one to remember.

Your child's safety is our number one priority. Each staff member completes extensive training & background checks. All staff are First Aid, CPR & AED certified. AYFS wants what is best for your child - to grow, learn and explore.

The goal of the program is to teach job skills to youth while offering them an experience working with young children. LIT's are required to fill out an application, obtain references and interview for the position, as well as attend a mandatory training in child development, basic first aid, and leadership skills which will be held in June (dates/times TBA)
